Post Event Report – 2nd Fityouth PAN India Aerobic Gymnastic and Aerodance Championship,12-14th June 2019, Ravindra Bhavan, Margao, Goa

EXECUTIVE SUMMARY

Right from the start, Fityouth ANAC India was highly ambitious. What we proposed was an event that has never existed anywhere in aerobic gymnastics fraternity in India before, run by an organisation that had been formed just two years ago.

This didn't deter us one bit. As last year's inaugural 1st Fityouth Pan India Aerobic Gymnastics Championship held at New Delhi and from all perspectives the 2nd Fityouth PAN India Aerobic Gymnastic and Aerodance Championship at Goa was a huge success.

The strong support we received from GFI and various Associations, Judges, Coaches, Team mangers and participants which resulted in over 200 of the India's top aerobic gymnastics sports athletes attending from 11 states. More significantly, the quality of competitors was outstanding and we were able to witness a very high level of competition in all categories.

Importantly, our venue sponsors Ravindra Bhavan, Margao and organizations like Kreeda Bharati Goa and Gymnastic Training Centre Goa were fully engaged in the championship to not only help deliver the national event of a high standard but also to welcome the visitors to the region.

By any standards this was a spectacular event. Not only as a confirmation of Fityouth ANAC India's ability to initiate and conduct a national level aerobic gymnastics event, but also to establish our credentials as the national prime aerobic gymnastics destination. The implications for future events in general are truly exciting. We now have a strong base upon which to build future Aerobic Gymnastic championships and our team is committed to lifting this sport even higher. Competitors, team management, national officials, volunteers, the public and our own staff have all contributed thoughts on how to improve Aerobic Gymnastics as a sport in India.

As a result, planning has already commenced on delivering the next Fityouth ANAC India and they will be even better.

My thanks, as Founder and Director, go to all those who helped make 2nd Fityouth PAN India Aerobic Gymnastic and Aerodance Championship at Goa so successful. A few names to reckon with are Mr. Prashant Naik, Chairman Ravindra Bhavan, Margao, Mr. Makrand Joshi, Technical Committee member of Asian Gymnastic Union, Mr. Kaushik Bidiwala, FIG Executive Member and Joint Vice President of GFI, Mr. Sunil Chhetri, Technical Director of the championship This includes all our partners, the venues, the judges, staff, volunteers, the communities of Goa and, of course, the competitors and team management who were the stars.
